

Registered Massage Therapist (RMT)

Moncton, New Brunswick | Full-Time Preferred | Part-Time Considered

Step into an established caseload.

Bring your skills, energy and passion for great care.

An established RMT at OsteoFlow is taking maternity leave, creating an opportunity to step into an existing client base, with **potential for a full caseload from the start for the right practitioner**. There is also potential for a long-term position beyond the maternity leave coverage.

Our RMT has built strong client relationships through warm, positive and upbeat care. We are looking for a driven, personable practitioner who will carry that experience forward while bringing their own strengths to our team.

What we offer

- An established client base and internal referrals
- Competitive commission with bonus potential
- Reception, administration and marketing support
- Online booking and practice management systems
- Equipped treatment rooms, linens and supplies
- Flexible scheduling and a collaborative team

Who will thrive here

- Positive, upbeat and confident with clients
- Motivated to maintain and grow a strong caseload
- Skilled in assessment and treatment planning
- Professional, dependable and accountable
- Open to learning and multidisciplinary collaboration
- Registered or eligible for registration in New Brunswick

Experienced RMTs and motivated new graduates are encouraged to apply.

Join our downtown Moncton team offering Osteopathy, Massage Therapy, Acupuncture and Non-Invasive Vagus Nerve Stimulation with HRV analysis. We value excellent care, collaboration and fulfilling practitioner careers.

Ready to grow with us?

Send your CV and a short introduction about your approach to Massage Therapy and what you are looking for in your next opportunity.
